

Myers Memorial Library
2023 report

The library remains an active center in our community. Our circulation and attendance numbers bounced back after Covid-19 pandemic (2020) and library renovation (2021/2022) to its second highest level since 2016 (See attached graphs). The library sponsored programs for kids and adults gathered over 2,000 participants this year. We are continually providing a much needed space for community classes, programs, and meetings (for example: Girl Scouts, Lions Club, tutoring, teacher's classes, Resource Center meetings, after school teen space). Our unchanging goal is to be a great resource of materials for learning and play, leisure and work. We are looking forward to the next year of service to our community.

*Myers Memorial Library
2023 report*

Library visits: **11140**

Circulation (materials checked out): **23432**
